NAME OF PROJECT:

1. An artist's statement describing your practice and areas of interest (up to 250 words that can also be used for announcing you to the residency if successful).
2. A statement outlining your intentions during the residency, and what you potentially plan to research and make (up to 500 words). This proposal does not have to be definitive and can change during the course of the residency.
3. What would the outcomes of this residency and exhibition offer mean to you as an artist? (up to 250 words).
4. Can you please describe your proposed use of time and resources, please include a timeline over the 12 week period.
5. Can you describe what your exhibition will contain? What elements are important? We recommend a visual representation of how you think your ideas will play out in the gallery space.
6. What kind of public programming ideas do you propose?
